

In 2000, Wlad repatriated from Japan and won the [New Hampshire Democratic VP Primary](#) on an anti-megacorps platform. This clip shows how [radical memes](#) can be spread in political campaigns and that Wlad's been laying fuse for quite a while.

These CSPAN excerpts also reveal that ideas among the unknowns made a lot more sense than the major candidates were offering.

Despite his [crushing victory](#) the Democratic Convention refused to even admit him, which sorely pissed him off and he turned libertarian Green.

All that's important though are the ideas. Please try them on for size.
